## TB TEST WILL BE ENDED IN RANDALL SAT.

### 10,500 Head Shows 30 Afflicted With TB

### HOLSTEINS IN LEAD

### Few Hereford Range Cattle Show To Be Afflicted

The TB test in Randall county will be completed this week, and the veterinarians will move to Deaf Smith county to start work Monday.

During the first two weeks of the test, 10,522 head were tested in Randall county from which test 30 were found with TB. This shows the county to be very free of disease.

Among the Hereford range cattle, only 10% of each large herd is being tested, and a very small number of animals have been found afflicted with TB. This is due to the fact that most of the range cattle were raised in this section, which is known to be free of the disease.

By far the largest percent of TB is found among the Holstein cows of the county. This is explained by the fact that most of this stock was imported from Wisconsin where there were no tests for a number of years, and where recent tests shows TB to run as high as 20%.

With about 5300 animals to be tested this week, it is expected that the percent will run about the same as found among the 10,000 tested.

No report has been made on the test of cows owned by members of the Randall County Dairymen's Association. This stock has been tested each year, and very few cases are expected to be found.

A complete report will be available by the end of the week when the work ends. The federal government will send men here in about 60 days to again test the herds where TB is found.

## Dr. M. L. Saddoris Leaves For New Location at Pauhuska

Dr. M. L. Saddoris is moving to Pauhuska, Okla., where he has a new location for the practice of medicine. The Saddoris family has been in Canyon for the past six years.

Dr. Saddoris has been closely associated with many public enterprises while a citizen of Canyon, taking an active part in the Rotary Club, the Masonic Lodge and Methodist Church.

### BECKMAN AWARDED $5,156 IN SUIT FOR DAMAGE

Joe Beckman was awarded $5,156.50 damage suit against Paul Foster in his suit for $26,000. Trucks driven by Foster and Beckman collided on the highway west of Canyon several months ago, and Beckman lost his arm as a result of the accident.

The case was transferred for trial to Potter county. The jury found both men negligent, but held that Beckman's driving with one light was negligence but not the cause of the accident.

### THANKS FIRE DEPARTMENT

W. R. Adcock stated yesterday that he was very grateful to the Canyon fire department for sending the chemical engine to his place last week to assist in extinguishing the fire in his feed stacks. While considerable damage resulted to the feed, the loss was much less on account of the prompt action by the fire department and the neighbors.

## *W. F. Heller to Reach 90th Year*

W. F. Heller will celebrate his 90th birthday on Saturday of this week.

Mr. Heller came here in 1887 and settled as the first farmer on land southwest of the present site of Canyon. There was no county organization, and no indication of a town when he selected his farm and filed on it.

Mr. Heller has been closely associated with the development of Randall county from the raw prairie to its present state.

## *"Pretty Boy" Is Given Chase Here*

Randall, Swisher, Hale and Lubbock county officers were sent on a chase Sunday for "Pretty Boy" Floyd when it was reported that he passed through Canyon headed south.

A man giving the report stated that he had been in school with Floyd and recognized him as they met on the highway. The man said he believed Floyd recognized him. Alarm was at once spread and officers patrolled the highway, but the car which passed through Canyon was never seen again.

Floyd has a half-brother living in Lubbock.

## Second Death in Down Family During the Past Week

Lester Rowan Dowd, 4-year-old son of Mr. and Mrs. J. C. Dowd, died Sunday morning at 9:30 o'clock. John Carol Dowd, 11 years old, had died on the Monday previous.

The funeral services were held at the Baptist Church Monday afternoon at 4:00 o'clock, conducted by Rev. J. H. Hicks.

The boy is survived by his parents, Mr. and Mrs. J. C. Dowd, three sisters, Martha Jean Dowd, Mrs. Mark A. Foster of Canyon, and Mrs. J. C. Pullen of McAllen; one brother, Bobbie Till Dowd.

## Palo Duro Post Celebrates 15th Legion Birthday

The fifteenth anniversary of The American Legion was observed Wednesday, March 15th, by the local post in the form of a birthday party, at the Legion Hall. The program was impressive and was enjoyed by both members and visitors.

Commander Guy Harp presided. Visiting ex-service men were introduced. The meeting was then turned over to former Commander Wes Kleinschmidt.

Mr. Kleinschmidt introduced the charter members, and all former commanders who were present, Allen Farlow, Wes Kleinschmidt, Harry A. Brown, Capt. W. E. Lockhart, Tom Knighton, Madison Daugherty, Andy Walsh and Roscoe Davis.

Allen Farlow gave a history of the organization from the first meeting, Dec. 9, 1919, to the present. Dr. Brown read a brief history of the accomplishments and service rendered.

Commander Harp led the ritual exercises. Rhea Robbins acted as bugler. Frank Shotwell acted as chaplain, and George Taylor as sergeant at arms.

A birthday cake was presented to Commander Harp by Wes Kleinschmidt as a token of appreciation for his accomplishments this year.

Roscoe Davis invited the entire assembly into the mess hall where he and his detail of K. P. had prepared a feed.

## Oscar Hunt Holds Office Until New Postmaster Named

No appointment has been made for the Canyon postoffice, and Oscar Hunt continues in office until his successor is named.

Mr. Hunt's term of office expired Monday, but no appointment had been made from Washington.

The civil service commission sent out questionnaires to about 50 local citizens two weeks ago in making a selection for the new postmaster.

### ART CLASS VISITED IN JUDGE J. D. HAMLIN HOME

The class in Interior Decorating of Miss Robinson visited the home of Judge J. D. Hamlin at Farwell Tuesday afternoon. Judge Hamlin has a rare collection of antiques which were studied by the class.

### CARL WHITTIG IN JAIL AFTER RAID SATURDAY

Carl Whittig is in jail as the result of a raid on his place in the east part of town Saturday.

The officers procured liquor as a result of the raid.

### CALLED BY SISTER'S DEATH

Mrs. F. E. Savage was called to El Paso, Thursday by the illness and death of her sister, Mrs. C. H. Stith. The family lived at Las Cruces, N. M. Both Mr. and Mrs. Stith are well known here, and visited at the Savage home in October.

## COMPANIES TO BE MOVED 15th OF NEXT MONTH

### 1828 and 1829 Will Remain at Palo Duro Park

### COPPOCK TO STAY

### New Chaplain Comes to Camp First of Week

It is now believed that Companies 1821 and 1824 will leave the Palo Duro about April 15th and will be transferred to Brewster County, instead of moved to Colorado as was announced last week. Companies 1928 and 1829 will continue through the summer at the Palo Duro State Park.

Chaplain J. L. Glass arrived Monday to assume the duties relinquished recently by Chaplain Gus Ramage, who is in the sanitarium.

Colonel E. R. Coppock returned from Fort Sill Friday where he reported on the progress being made at the Park and discussed future plans. He was advised that he would remain at the Palo Duro for an indefinite period of time.

Colonel Coppock has great interest in the work being done at the Palo Duro and believes that all four companies should be kept there owing to the amount of work there is to be done. He suggested that in recruiting the companies on April 1st that an excess number of men be assigned to each unit to take care of those who wish to withdraw during the period. At the present time there are only about 600 men in the four companies.

D. E. Colp, chairman of the State Parks Board, was unable to come here last week, and his visit is scheduled for this week end. It is likely that he will be able to give more definite information as to the change in location of the two companies.

Ninety percent of the men in the CCC camps have applied for reenlistment for the new period beginning April 1st. It is rumored that a number of officers will be changed at the start of the new period, or soon after the first of April.

All work is progressing rapidly on the various projects of the Park. Objectives were set up some time ago for completion by the end of this period and indications are that the goal will be reached on most of the work.

## Two Men Arrested In Charge of Theft by Conversion Stock

Ben New and C. F. Hester of Dallas were arrested Saturday charged with theft by conversion in a building and loan stock deal which they pulled on a citizen of Canyon.

New made bond but Hester is still in jail.

The bonds involved in the deal were valued at $2,000 in a building and loan company.

## County Government Is Discussed At Rotary Luncheon

The Community Service Committee, with Levi Cole, chairman, was in charge of the program at the Rotary Club, Tuesday noon and had as the guest speaker for the occasion, Prof. S. H. Condron of the College faculty.

Prof. Condron, used as the subject for his discussion "County Home Rule Form of Government." The idea of county government is one of the oldest governmental institutions in use today. Most of the Texas counties were laid out with the idea of transportation in mind. At the time the boundaries were established for counties in our state travel by horse power was the chief mode of travel for the citizens.

The speaker compared the size of several counties in Texas in relation to area and population and cited that all of these were required to have the same number of officers and operated under the same laws and in the same manner. Yet, in no county is there a single head responsible for all the departments of the county government, nor to whom all the departments are responsible.

Efforts to get away from such a system have been made in recent years, with the result of the passage of the Home Rule Amendment to the State Constitution a year or so ago. Dallas county at present is perhaps making the most progress toward a consolidation and combination of various offices and departments under the home rule plan.

Dr. Marvin Saddoris, was given a rising vote of thanks for his work in the club. He is moving to Oklahoma, and his classification will be filled by Dr. R. A. Neblett, who was voted in as a new member.

W. J. Wooten was introduced as a new member in the club.

President Vet Ingham, announced that Panhandle would come to Canyon on some date in April for an inter-city meeting.

An invitation was extended members of the Club to be of assistance in caring for the Educational Conference Delegates, by Joe Hill and Harris M. Cook in making announcements concerning the conference.

Visiting Rotarians Tuesday were: B. E. Masters, W. J. Van London, R. P. Parcells, H. A. Nobles, Homer Greenhill, Hugh Flynn, Dinty Moore, Neil Griggs, and H. B. Fain all of Amarillo. Visitors were Earl Scruggs, a Kiwanian from Amarillo and Prof. S. H. Condron.

### MRS. R. W. JACKSON DIES AT AMARILLO

Mrs. R. W. Jackson, daughter of Mr. and Mrs. W. W. Clounch of Canyon, died at an Amarillo sanitarium Saturday, March 17th. She leaves besides her husband, two children, Aneta and Adell, of Amarillo, her parents, six brothers and four sisters.

Mrs. Howard Cox, and ex-student of W. T. who is teaching in Kirkland High School, was a visitor on the campus Saturday.

### Plan to Reach Voters for the Election on March 31st

Those who are opposed to legalizing beer in Randall county will meet at the court house tonight at 7:30 o'clock for the purpose of organizing a fight to be carried on until the election on March 31st.

Every person in Canyon who is opposed to legalizing liquor in Canyon and Randall county is asked to come to the meeting.

A group of citizens met at the court house Tuesday night to discuss plans for the fight to be carried on. The greatest need, as stated at the meeting was to impress upon those opposed to liquor to go to the polls and vote on March 31st.

The election to legalize beer in the county was called last week upon petition presented to the commissioners court.

During the coming week those opposed to legalizing liquor will be asked to use their influence among their friends, and see that they go to the polls on March 31st.

The meeting tonight will be in the nature of a council to determine manner in which to handle the present election.

## Browning Girl Dies Monday Following A Short Illness

Margaret Louise Browning, 6-year-old daughter of Mr. and Mrs. W. L. Browning, died Monday morning at 8:30 o'clock at the family home south of Canyon. She was born in Canyon, May 13, 1927.

The funeral services were conducted Tuesday afternoon at 3:00 o'clock by Rev. Chas. Dickey at the Presbyterian Church, followed with interment at Dreamland Cemetery.

Surviving are the parents and one sister, Mary Alice Browning.

## Wheat Committee Getting Ready to Make Inspections

The Randall County Wheat committee from all districts attended a meeting Tuesday afternoon to make a complete check of the work so far accomplished. Plans are being made for the inspection in May or June, which is necessary before the final allotment is paid. Special rules as applied to the drouth territory were discussed.

In checking the expenses it was found that the committee is running under the budget and will not spend the one cent per bushel which is set as legitimate expenses. It will likely take eight-tenths of a cent for the expenses.

### TRIO RUN IN FOR BEING DRUNK; RECKLESS DRIVING

Frank Hicks arrested Alton Payne and J. D. Potter Sunday on a charge of drunkenness, and Wayne Butler for reckless driving.

Butler paid a fine, while Payne and Potter are serving a sentence in jail.

## *Lodging Wanted For Visitors*

Citizens of Canyon who desire to offer lodging or meals, or both, to the visitors who will be in the city Friday and Saturday, March 23 and 24, in connection with the Education Conference, are requested to notify the College Housing Committee immediately.

This committee requests information relative to the number of guests, either men, women, or couples, who can be accommodated, and the costs of lodging and meals. Lodging is desired for Friday night only. Notification should be made in writing to Harris M. Cook, chairman, Mrs. Geraldine Green, or T. M. Moore.

## Night School Now Open For General Adult Courses

A partial revision has been made in the restrictions which were recently placed upon those who could attend the night school now in progress at the high school.

Only those who are employed may continue taking commercial courses, but the school is opened to all who wish to take general adult education classes, which includes everything but the special commercial branches.

Supt. Irby Carruth states that this should allow practically all who were excluded by the recent order to return to the night school.

Two teachers are now employed, but others may be added when the attendance justifies the additional staff.

## Topping Goodnight Trail Ordered, But No Funds in Sight

Approval has been given County Engineer E. H. Gohmert to top Goodnight Trail leading from Canyon to the Palo Duro State Park, but no funds are available for the work. Mr. Gohmert has submitted plans for the work, and hopes to get approval of funds.

The entire highway situation of the Panhandle is still in a muddle as a result of the charge in Washington that the State Highway Commission was responsible for the delay in administering the special $8,900,000 fund which was set aside for the drouth stricken territory. The highway commission states that the money has never been given to them.

Wilbur C. Hawk and Mayor Ross Rogers of Amarillo leave for Austin today in an attempt to straighten out the muddle and get aid for the Panhandle. They will be joined by J. H. Cox, Jr. and Clyde W. Warwick of Canyon, and representatives of other Panhandle counties seeking to get the special fund available.

Mr. Cox and Mr. Warwick will seek to straighten out other tangles in the new set-up for relief work as affecting Randall county while in Austin.

## Auto Licenses To Be Bought Night of April First

Automobile owners must procure their 1934 license tags by midnight of April 1st or pay a penalty of 20 percent.

Under the terms of the new law the payment date was changed from January 31st to April 1st.

Payments of licenses may be made at the office of Tax Collector R. N. Barnett, and an office is maintained by W. L. Lyons, 3700 Tyler, in South Amarillo, for the convenience of car owners in the north part of the county.

## Hog Committee Is Getting Ready for State Board Review

Contracts under the corn-hog allotment are being completed this week, ready to submit to the state board of review.

The county board is composed of Henry F. Miller, chairman; Clarence Beckman, vice chairman; L. B. Hammond and J. B. Fox; Jeff Wallace, secretary.

The Allotment Committee is composed of Miller, Hammond and Fox.

Mr. and Mrs. John Bishop spent the week end at the parental S. H. Jones home. They were returning from Salina, Kansas, to move to Spearman.

## HUNDREDS TO FRIDAY PARLEY ON EDUCATION

### Many City Schools Will Close and Bring Teachers

### LEADERS TO COME

### Sawyer of Canadian Is President of the Conference

With citizens from all sections of northwest Texas already responding to the invitation, there is no doubt but the Educational Conference to be held here Friday and Saturday will be the largest meeting of its kind ever held in this section.

Besides superintendents, principals and teachers, a great number of P. T. A. workers, club women, newspaper editors, and professional people are coming for the day and a half session. School boards, have been especially invited by Deputy State Superintendent E. E. Chamness, and Professor Frank R. Phillips, president of the Panhandle County Boards Association, has issued a call for all county boards to be present.

The Canyon P. T. A. has issued a special invitation to fellow workers and thirty towns have already indicated that they will be represented. Clubs throughout the Seventh District have been urged by their Education chairman to take part in this orum on current issues.

Youth will be present at this time, for young journalists from at least fifteen Panhandle Schools will be here to organize a Panhandle High School Press Association.

To them as well as their elders, Dr. W. B. Bizzell's address his challenge on "Learning and Leisure," while Dr. J. A. Hill will address them on "Dimensional Education."

The whole conference, the first of its kind to be held here will center around a theme stated by President Franklin D. Roosevelt who recent said, "This crisis can be met, but not in a day or a year, and education is a vital factor in meeting it."

Others who will develop this theme are Dr. Doak Campbell of Peabody College, Nashville; State Supt. L. A. Woods, Dr. Fred C. Ayer of the University of Texas, and J. O. Loftin of San Antonio, president of the Texas State Teachers Association. Among those of this part of Texas who will participate in the program are Supt. Ferman Sawyer of Canadian, Dr. R. P. Jarrett of Canyon, Mr. John E. Hill of Amarillo, Supt. H. T. Burton of Clarendon, Mr. J. O. Guleke of Amarillo, Mr. E. E. Chamness of Canyon, Supt. W. H. Younger of Tulia, Supt. C. H. Dillehay of Hereford, Supt. C. A. Cryer of McLean, Mrs. Clarence C. Bailey of Childress, Miss Ola Boyles, Amarillo, Supt. C. E. Davis

## *Women Contribute to Exchange Recipe Column*

Recipes tested by Canyon housewives will be used in the Exchange Recipe Column being started with this issue of The News. Recipes for inexpensive, everyday dishes, as well as for the fancier party dishes are desired for the column, and it is hoped that the women of the county will co-operate by telephoning or mailing in recipes that they and their families have particularly enjoyed.

At the end of several weeks, the recipes will be published in book form and one will be given to each contributor.

Grocery stores are taking particular care to see that the items called for are available at their stores. Watch their ads for special mention of the ingredients called for.

### PARKER HOUSE ROLLS
Mrs. Frank R. Phillips

1 cake Fleishmann's yeast.
1 pt. milk, scalded and cooled to luke warm.
2 tbsp. sugar.
4 tbsp. fat, melted, either butter or lard.
3 pints sifted flour.
2 tsp. salt.

Dissolve yeast and sugar in luke warm milk, add fat and 1½ pints flour. Beat until perfectly smooth. Cover and let rise in a warm place one hour or until light. Then add remainder of flour or enough to make a dough and the salt. Knead until a "velvety feel" is produced. Place in greased container, let rise in warm place until double in bulk. Roll out ¼ inch thick, brush over with melted butter, cut with 2-inch biscuit cutter. Crease through center heavily with dull edge or handle of knife. Fold over and press edges together. Place in greased pan 1 inch apart. Cover, let rise until light. Bake in hot oven 10 to 15 minutes.

### GINGER ALE SALAD
Mrs. Clyde McElroy

2 tbsp. granulated gelatin
½ cup cold water
1½ cups ginger ale
2 tbsp. lemon juice
2 tbsp. sugar
1 cup diced canned pineapple
1 cup orange juice and pulp
1 cup seeded white raisins

Soak gelatin in water five minutes, then dissolve over hot water. When cold, add remainder of the ingredients. Turn into individual molds and chill. Serve on lettuce leaves with mayonnaise.

### SCALLOPED KRAUT
Miss Florence Bellah

2 tbsp. butter
2 tbsp. flour
Pepper and paprika to taste
2 cups sweet milk
1 No. 2 can kraut
1 cup grated cheese
½ cup bread crumbs.

Melt butter and blend in flour and seasoning. When smooth, add milk gradually. Then add kraut and cheese. Mix well. Pour into buttered baking dish and sprinkle with bread crumbs.

Bake at 350 degrees until brown.

### CRANBERRY SALAD
Mrs. Mark L. Foster

1 pkg. orange or lemon Jello
Dissolve in 2 cups warm water
Peel and remove membrane from one orange and cut in small pieces.

Run 2 cups cranberries through the food chopper, using the coarsest knife. Mix cranberries and orange with one tbsp. lemon juice, one cup sugar, one cup finely diced celery and a dash of salt. Let stand until Jello begins to thicken.

### ACTION NECESSARY

Unless the people of Randall county want to see beer legalized in the county, action is necessary. A strong organization has been formed to carry the election on March 31st. So far, little has been heard from those opposed to legalizing beer.

The News stated its reasons for opposing the sale of beer in an editorial last week. We have been requested to re-print this editorial in order that the people may again seriously consider the evil which may come to the county if those who oppose beer do not rally to the polls and vote on March 31st.

Here is the editorial re-printed from last week's edition:

### THE BEER QUESTION

Upon petition presented to the commissioners court by the required number of legal voters, an election has been called in Randall county for March 31st.

The News regrets very much that this election has been called by the small number of people necessary for the petition. The voters rejected the beer issue in August by a vote of 581 to 359.

It is true that the vote of last August was cast by less than half of the qualified voters of the county, and that the vote in the coming election will probably run near the 2,000 mark. If the voters reject the beer issue in the coming election, surely another attempt will not be made to legalize beer in Randall county.

The News has always opposed legalizing liquor. Illegal liquor is very, very bad, but when the people vote to legalize the stuff and allow it to be openly offered for sale it becomes much worse.

The argument is made that the county should derive some revenue from the sale of liquor. The News does not believe that the state ever has any business legalizing anything which is in itself a damnable institution, and has caused the downfall of so many men and women, boys and girls.

The argument is made that beer is a harmless thing, which will injure no one. Police statistics are pointed out that arrests have decreased since beer was legalized. This is not so. The police records of many of the large cities show that arrests for drunkenness have increased very greatly since beer was legalized, and that emergency hospital cases have greatly increased since beer was offered for sale to all comers.

The argument is made that beer is not responsible, but that bootleg whiskey causes these arrests and these accidents. This may be true, but the argument in favor of legalizing beer falls, when it is considered that the taste for beer leads on to the demand for stronger drink, and the open saloon with all kinds of hard liquor is the real incentive back of this movement for legalizing beer.

Many a misguided person has found that the beer business is unprofitable because of the high licenses and the short sales. Perhaps fifty percent of those who took out licenses in Texas last summer found it unprofitable. The argument then that so much revenue is being lost for Randall county falls, and the real motive is shoved to the foreground; that is, the return of hard liquor by opening the wedge with beer.

Canyon will make a sorry spectacle in Texas if beer is legalized and sold here. Of the 17 state educational institutions in Texas, only two are located in towns which have allowed beer to be sold. Lubbock has turned down beer in two elections.

If the people of Randall county are going to advertise to the world that they would rather have beer than a first class college, they will probably get their choice. The fathers and mothers of Texas are not interested in placing their boys and girls in towns where liquor is allowed to flow freely. The News believes that the voters of Randall county must make the choice, and we believe that they will choose to keep a first class college, protecting the young men and young women from the influence of legalized liquor.

During the election last year, the argument was made that to legalize beer would stop the bootleg business. Yet drunkenness in Texas has increased with beer. Now those interested in the return of the saloon with all kinds of liquor are saying that to legalize hard liquor will stop bootlegging. This is absurd. Canada has liquor, but the bootlegger thrives. So long as there is a tax on any commodity, there will be the bootlegger; such as the gasoline bootlegger, the cigarette bootlegger; the smugglers of jewelry, silks, etc. Place a government tax on any commodity, and certain people attempt to evade it.

If beer is legalized in Randall county, it will not actually help a half dozen businesses. Booze has been responsible for wrecking many good business institutions in the past. It will repeat, and in much quicker time, if liquor is allowed to be sold here.

The News believes that good judgment dictates that beer should not be legalized in Randall county; that there is everything to lose and nothing to gain in setting up institutions in the county which are fundamentally wrong, and surrounding which there is not one good thing to be said.

### REPEAL DID NOT SETTLE CRIME

Arthur Brisbane, highest salaried columnist in the world, has charged for years that prohibition has been at the seat of all our national ills. He advocated the repeal of the 18th amendment as the only method of stopping bootlegging, racketeering and other crime.

Repeal came, but now listen to Brisbane:

"Uncle Sam is having trouble with bootleggers, in spite of prohibition repeal, because bootleggers sell what some people call "better whiskey" for a lower price than "legitimate whiskey" can be sold.

"Uncle Sam puts a tax of $5 a gallon on whiskey sold "legally." The bootlegger can manufacture whiskey, at a total cost of not more than 50 cents a gallon, paying no Government Tax.

"He will continue in business. Repeal did not solve all prohibition problems."

The fact had just as well be recognized that liquor is at the bottom of much of the crime. To make liquor plentiful and easy to secure only multiplies crime.

That is the reason why the News is opposed to prohibition repeal.

No one maintains that liquor cannot be secured if the thirsty individual goes out to hunt for it. But today it is not openly offered to tempt those who have not developed a taste for it.

To legalize liquor more than doubles the temptation that may exist throughout the country; it will bring no good, but will multiply the evils which now exist in too large a number.

If Senator Clint Small is able to convince the political leaders of South and East Texas that West Texas will stay with him again, he will lead the ticket in the July primary. Business leaders are looking for a safe and sane man; they find him in Senator Small. More and more interest is being developed in all sections of the state where the real leaders are seeking a real leader. West Texas has an opportunity to honor itself and one of its native sons by voting solidly for Senator Small.

---

Bascom Timmons, Washington newspaper authority, announced Sunday at the proper time the administration would announce to the voters of Texas that it favors the re-election of Senator Tom Connally. If experience, training, and ability amounts to anything, Senator Connally will be re-elected for his second term by a very large majority. His opponent hopes that the dripping wet sentiment and the magic name of Bailey will defeat one of the ablest men now in the Senate.

The Canyon News has another birthday today. Starting its 38th year, The News has grown along with Canyon and enjoyed the confidence of this splendid town and county. For 23 years and 8 months, The News has been under the present management. Confident that the best period this section has ever enjoyed will soon be with us, The News starts the new year of its history with more enthusiasm for Canyon and Randall county that we have ever experienced.

What a difference in the standing of the Texas bonds after the legislature paid interest past due on outstanding bonds, and made it possible for Texas institutions and political sub-divisions to invest in these bonds. The bonds sold at a premium, whereas former bonds went begging. It pays a state to be honest. Non-payment of debts is even worse for a state than it is for an individual.

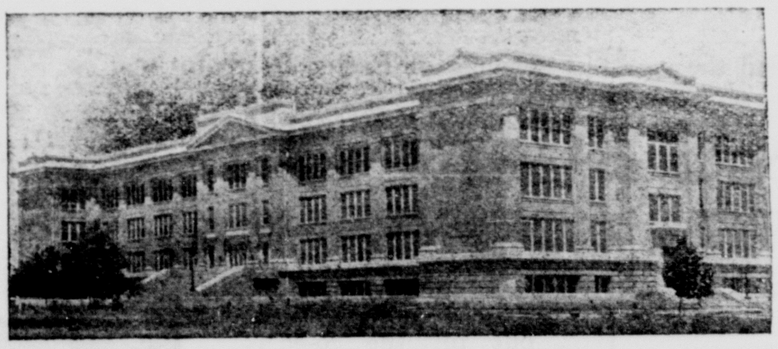
## 'IF YOU WANT US TO BE SOBER,

# KEEP RANDALL DRY'

***Can 3.2 beer possibly be worth what it can and WILL cost, in terms of ENDURING values of Life? --- YOU KNOW IT CAN NOT!***



## BEER OR EDUCATION, WHICH?

The people of Canyon gave $100,100 to bring W. T. to this city. They have given thousands of dollars to improve it; they have invested thousands of dollars to improve the town and make it attractive for students.

Will you not vote to protect this investment? To protect your own property? The Beer Barons hope that if you legalize beer they will soon have the open saloon in Randall county.

**IF** Randall County voters put their approval on the sale of 3.2 beer, parents must resign themselves to the certainty that its legalization will also give it respectability and that boys and girls will become new addicts to the alcohol that is in beer.

WHOSE boy will it be? WHOSE girl will it be? YOUR boy or girl may be such as to stir your highest pride . . . but you had better have a wholesome fear of the jibes and jeers of companions who might unwittingly start the fires of hell in an awakened appetite for alcohol.

LEGAL BEER can not mean anything less than LEGAL TEMPTATION to the formation of the alcohol habit. Are YOU going to be a party to fastening such an evil influence into the daily lives of the boys and girls of Randall County? YOUR VOTE is just as important as any one else's vote. HOW WILL YOU CAST IT?

This page has been bought by citizens who sincerely FEAR legalized beer-selling in Randall County. They appeal to you to VOTE AGAINST 3.2 BEER. They KNOW that too many boys and girls are already familiar with the taste of alcoholic liquors . . . but THEY DID NOT ACQUIRE IT WITH THE SANCTION OF OUR VOTERS. DON'T let it ever be said that Randall County VOTERS placed the beer bottle at the lips of our boys and girls. LET'S KEEP BEER-SELLING ILLEGAL, as it NOW is. Let's NOT STAMP IT WITH OUR APPROVAL!

## Don't Stay at Home --- VOTE!

**You Can Not Escape Responsibility By Failing to Vote!**

We plead with you, in the name of the boys and girls of Randall County, to MAKE UP YOUR MIND to DO YOUR PART in keeping Randall County DRY.

If you have no children of your own, WON'T you give our fathers and mothers an even break at rearing THEIR children? They believe that legal beer will be the greatest hindrance they can possibly have. Keep beer the OUTLAW that it deserves to be.

## Library Notes

Tiny tots of Canyon will get acquainted with the Library this week when the Junior Woman's Club will conduct a story hour for them.

From four to five Saturday afternoon, members of the club will tell stories for children up to eight years of age, according to the announcement of Mrs. Herschell Jennings. Besides entertaining the youngsters, they will be learning that books are the places in which they can find delightful experiences as soon as they can read, and that the Library is one of their best friends.

The library maintenance fund was materially aided by the entertainment given recently under the direction of the Finance Committee.

Magazines are much in demand in the library and anyone having either new or old ones is requested to give them that other people may share in enjoying them.

WALTER WOODUL

## HARRIS SENATOR ASKS ELECTION AS LT. GOVERNOR

Houston, Texas.—Senator Walter Woodul of Houston has formally announced his candidacy for the office of Lieutenant Governor, saying:

"I aspire to the honor of being Lieutenant Governor of this state. I was born in Texas and educated in her schools, including the University. I volunteered to serve in her National Guard on the border in 1916 and served in the world war. I have been privileged to represent the people of Texas in both houses of the legislature, and I believe I know the problems of the state.

"As the campaign progresses, I will discuss and give to the electorate my position on pertinent issues."

Senator Woodul has represented Harris County in the senate for the past six years and was unanimously elected president pro tempore at the last regular session. He was born in Laredo, Texas, and worked his way through the University of Texas. He led in the organization of Houston Community Chest, is active in the civic life of this city and is one of the leading lawyers in this section of the state. Senator Woodul was elected state manager of the Garner-for-President forces in Texas and served in that capacity at the National Democratic Convention in Chicago.

Senator Woodul married Miss Ethel Eldridge of Sugar Land in 1917, and they have one son. He is a member of and active worker in the South End Christian Church of this city.

In giving away a daughter at her wedding, many a father discharges a liability.

## U. S. Girl, Prince To Marry

Preparing for their wedding in the movie capital, Carol Marmon, only daughter of H. C. Marmon, well-known Indianapolis auto builder, is shown above in Hollywood with her fiance, Prince Nicholas Tchkotova. Like the Mdivanis, the prince hails from the one-time Caucasus kingdom of Georgia.

## Sunny Hill News

A group of five boys, members of the T-Anchor ranch club of Canyon College, will appear on a program at Sunny Hill school house Saturday night, March 24th. This program will include rope tricks, and playing and singing of old cowboy songs. There will be a very small admission fee, a good percent going to Sunny Hill school.

In the county Interscholastic Meet held in Canyon last week-end, Sunny Hill brought home two first places and one second place. Faye Ruth Cope won the loving cup in junior girls' declamation; Eva Mae Schaeffer won first in picture memory; and Faye Ruth and Eva Mae, as a team, won second place in fourth and fifth grade spelling. Due to the storm Saturday, some of Sunny Hill's contestants did not go to Canyon.

Mrs. Lawrence Miller of Keyes, Okla., Mrs. Charles Flyr and Joyce of Trinidad, Colo., are visiting their parents, Mr. and Mrs. J. A. McFarland.

Mr. and Mrs. Joe Russell visited Mr. and Mrs. Amos Ratjen Sunday.

## Character Building Discussed by PTA; Mrs. Hill Speaker

The Parent-Teachers Association which met Thursday, March 15, in the high school auditorium, discussed the part of the home and school in the character training of the child, with Mrs. J. A. Hill and Mr. George Terry, as principal speakers.

Mrs. J. A. Hill spoke on "The Home's Responsibility to Child Character." One of the keynotes to her talk was "Every child has a right to be well born." She gave four fundamentals in character foundation, namely: physical, mental, moral, and spiritual training.

This must be begun in the home, with the co-operation of both mother and father.

To develop the physical being, good health habits, attractiveness in home surroundings, communion with nature, and supervised recreation must be created in the home.

"The home is the chief school of virtues," quoted Mrs. Hill. Mentality must be developed through mental cleanliness, according to Mrs. Hill.

"Blessed is the parent who has the confidence of his children, and blessed is the child who has the confidence of his parents," Mrs. Hill stated. "Without this, the mental cornerstone cannot be thoroughly developed."

To encourage morality, Mrs. Hill said that temperance, co-operation, obedience, and spirituality are the key notes.

Last, but not least, in Mrs. Hill's address was spirituality. Henry Ford has said, "Religion is the fourth R in education."

Following Mrs. Hill's address, group singing was led by Mr. George Terry, with Mrs. J. D. Barker at the piano.

Mr. Terry spoke on "The School's Contribution to Child Character." One sentence analyzes his entire talk that is "School Should Supplement the Home."

Mr. Terry said that not merely instruction is given in certain subjects, but extra curricular activities are offered to help develop the character.

At the close of the address the officers for the P. T. A. next year were elected.

They were as follows:

President—Mrs. A. B. Holt.

First Vice President—Mrs. C. L. Thompson.

Second Vice President—Mrs. Ed Phillips.

Recording Secretary—Miss Gladys McClanahan.

Treasurer—Mrs. Roy Tate.

Publicity—Mrs. Wm. Robinson.

The next meeting is scheduled for April 19, at which time the school exhibit will also be held.

Appreciation of the work of Mrs. Wm. Robinson, president of the organization for two years, was expressed. Mrs. Robinson has found it an impossibility to continue her work.

### STUNT NIGHT

Most of the clubs of C. H. S. are getting up stunts for stunt night, which will be held April 10. The school king and queen will be crowned at the same time. There will be an admission charge of 10 cents.

The clubs and other organizations which are preparing stunts are: Tawamana Club, the two home economics clubs, the press club, the pep squad, and the boxing class.

## *Olin Hinkle To Speak at 3:15 Sat.*

Olin Hinkle, one of the main speakers at the organization of the P. H. S. P. A. is an ex-student of W. T. S. T. C. in the class of 1925. He was editor of The Prairie, college paper, in the years of 1923-24 and in 1924-25, and was reputed to have edited the best Prairie, that had been published up until that time.

During his editorship, The Prairie was enlarged from a six-column paper to its present size. Mr. Hinkle is a member of the Lloyd Green Allen Scholarship Society. He is particularly interested in golf and music. He received his degree in journalism from the University of Missouri in 1926.

He is an ex-president of the Panhandle Press Association and is now editor of the Pampa Daily News.

## Eagles Tale First Published in 1926 With Shook Editor

In looking up the records of The Eagles Tale it was found that the first edition was published October 26, 1926, through the efforts of John Randolph, then a teacher in the Canyon High School. Mr. Randolph first thought of the plan for The Eagles Tale while working for C. W. Warwick, the editor of the Canyon News.

The officers for 1926 were: Roger Shook, editor Keith Donnell, Charles Strain, Lurline Bowman, and Jake Harrison. Assistant editors: Irma Hinkle, society; and Wyatt Webb, features.

In 1927, Keith Donnell was editor in chief, and Margaret Laxon, Elmer Fite, Eleanor Simmons, and Jake Harrison, associate editors; Hannah McCormick, features; Elmer Wooten and Eugene Morris, sports; Opal Shuman, poetry; Christine Upchurch, society; Dorothy Faye Rusk, Margaret Gamble, John Guthrie, and Vincent Lockhart, reporters.

In 1928, Katye B. Lowe was added to the tsaff and Opal Shuman and Eugene Morris were forced to withdraw because of graduation.

The staff was the same in 1929 as it was in 1928.

In 1930 Dorothy Faye Rusk was editor in chief and Alton Donnell, Katye B. Lowe, Vincent Lockhart, Louise Wester, John Guthrie, Douglas Henson and Dorothy Cash were reporters.

Katye B. Lowe, Vincent Lockhart, and Louise Wester had charge of the paper in 1931. Dorothy Faye Rusk and Dorothy Cash were not on the staff that year, but Armor Lee Greenfield and Mary Ella Lowe were added. During this year two papers were published, The Purple Page, and The Eagles Tale, under the direction of Katye B. Lowe and Vincent Lockhart.

In 1932 Vincent Lockhart had charge of the paper. New reporters were Sarah Bonnie Bourn, Robbie Foster, Rubye Foster, R. L. Burnam, Rosa Cash, and Kathryn Robinson.

Louise Wester was editor of The Eagles Tale in 1933.

Robbie Foster has charge of the paper for 1933-1934 and Hampton Lisle is assistant editor, and Miss Lois Goodrich is faculty adviser. Reporters are, Jack Oldham, Arneta Kirkpatrick, Mildred Shuman, Sarah Bonnie Bourn, Sewell Cox, Thelma Bryant, Wesley Williams, Frances Elliston, Mary Jean Mickle, Myrtis Wright, Helen Hardman, Nell Slaton, Ruth McCrerey, Geneva Whitman, Mary Strain, Lela Bell Johnson, T. V. Slack, Armor Lee Greenfield, Mary Ella Lowe, Loura Ferne Brian, Lorene Bessire, Rubye Foster, Mary Elia Davis, Freda Lowrie, Dora Mae Plaster, Bill Cone, and Winnie Dee Hicks.

### *Dedication*

*This issue of The Eagles Tale is dedicated to the organization of the Panhandle High School Press Association and to those who will be the guests of the members of the staff of The Eagles Tale, Saturday, March 24.*

## Citizenship Will Be Discussed Tonite By Study Club

The Faculty Study Club will hold its regular meeting Thursday night, March 22, at 7:45 in the Home Economics department.

The subject to be discussed will be "Citizenship." I. B. Carruth is the chairman, and the following program has been arranged. "Teaching Citizenship in the Primary Grades," by Mrs. Stella Murrell; "Citizenship in Athletics," by Miss Annis Smith; and "Why Citizenship Should be Taught in Public Schools," by Mr. Carruth.

After the study hour, those present will enjoy a twenty minute social period. Refreshments will be served by Mrs. George Terry and Miss Jewel Foster.

## Home Ec. Girls Say Eat, Dring, And Be Merry

Four meals a day plus all they can eat between meals is the daily diet of some of the girls in Home Economics I. It's not because they are under weight, no sir, it's part of the required school work. Can you imagine any more pleasurable school work than eating? Besides the joy of eating in school, you get credit for it.

"It's like being a rich woman," declare some of the girls.

"You don't have to cook your meal, and you don't have to wash dishes; all you have to do is eat!"

"Every rose has its thorn," so goes the old saying which holds true in Home Economics I. They run sort of a co-operative class. Part of the class cooks, some wash dishes, others sweep, others do various duties, and last but not least four get to eat, but not every day. Each day everybody has a different duty. The host and hostess who exclusively entertain two guests, or perform a model family breakfast one day, have the choice job of washing dishes or doing the cooking the next day.

The students of the high school are able to keep up a good appetite. The aroma of bacon and eggs and all that goes with it, cooked in the good old Home Economics way, calls to mind the song which contains these lines:

"Just to smell the bacon frying, while it's sizzeling in the pan, to hear the breakfast horn, (bell) in the early morn (9:00 or 10:00 o'clock), drinking coffee (or cocoa) from a can (teacup.")

If any students, not in the Home Economics department, faint or pass out, you can make a good guess that the cause is hunger or at least a case of appetite. If you are wondering why some of the girls are acquiring the more buxom figure (advocated by Mae West); it's because of required class work, not their own personal ingenuity.

## Grade Scouts Study Panhandle Birds In Museum Trip

Thursday, March 15, Robbie Foster took ten grade school Girl Scouts to the museum to make a study of the collection of birds placed there by Kenneth Carlander. After studying these birds Osce McCrerey took the group of girls out on the prairie where they enjoyed eating nose-bag lunches.

The girls attending were Betty Jo Foster, Sunshine Harden, Mary Charlotte Word, Sarah Thompson, Glenna B. Eastwood, Dorothy Strain, Eloise Brian, Pauline Spencer, Lula Marie Ellison, and Annie May Spencer.

### STUDENTS HAVE HOLIDAY FRIDAY, MARCH 23

The Canyon Public Schools will receive a holiday, Friday, March 23. The teachers will attend the Northwest Texas Educational Conference which is to meet on the W. T. campus, March 23-24.

---

Miss Foster visited at her home in Dumas over the week end.

## *Originator of School Page in Town Paper*

CLYDE W. WARWICK

Through the earnest efforts of Clyde W. Warwick, owner and publisher of the Canyon News, the first high school paper of the Panhandle was published in the county paper.

Mr. Warwick is known over the entire Panhandle as an outstanding editor and publisher. He has served two years in the Texas legislature. Mr. Warwick is greatly interested in high school publications.

He will speak on "The School's Page in the Town Paper," at the organization of the Panhandle High School Press Association, Saturday morning, March 24, at 11 o'clock.

## Orchestra, Band Organized By Mrs. Barker '28

There have been a band and orchestra in Canyon High School since 1927-28.

In 1928 the first high school band was organized by Mrs. J. D. Barker. The wholehearted backing of the administration and the board, which bought two instruments, encouraged and heightened the interest of the sixteen members who worked hard. Several public appearances were made. Practices were held at night. The band met during the summer and was ready to continue at the opening of the 1929-30 session. That year six band boys from Umbarger came regularly to the night practice. The band played for all basketball games, several banquets, and for chapel. A program was given at the end of the year.

Since several of the members graduated that year, and the boys from Umbarger were unable to return, the band was reorganized in 1932, playing for basketball games was their goal. All meetings were held after school. This year the band has played for five of the football games, and made several other appearances in public. It is, however, lacking in variety of instruments. The band hopes to have new members next year, coming from the junior orchestra, just organized. There is a prospect for uniforms next year.

The first orchestra in the school was organized by Mrs. Barker in 1927. It was composed of ten instruments played by teachers and pupils. In 1929-30 a junior orchestra, which became the orchestra of 1932-33, was organized. The organization last year presented several programs, and at the close of school played for the commencement exercises. The present orchestra has made several public appearances, so far, and expects to make several more before the end of the year. The violins from this orchestra have made several independent appearances.

## Harry Montgomery Is Main Speaker at Press Banquet

The main speaker of the evening at the first meeting of the Panhandle High School Press Association will be none other than Harry Montgomery, Associated Press writer of the Amarillo News-Globe.

He will speak on "Journalism as a Profession." Mr. Montgomery started Associated Press work in the Panhandle, and it is through him that the news from this section travels throughout the entire nation.

## Appreciation Hour Heard By Grade School Children

The Music Appreciation Hour by Walter Damrosch and his orchestra will again be heard by the students of the fifth, sixth and seventh grades of Canyon grade school, Friday, March 23, at the usual time, 10 a. m.

The program this time is entitled "The Magic Door," and the numbers will be as follows:

Review Number.

Overture to "A Midsummer Night's Dream"—Mendelsshon.

Introduction to "Overture Mignon"—Thomas.

Finale from Overture "William Tell"—Rossina.

This program is the eleventh and next to the last concert to be presented by Walter Damrosch and his assistants for this school year. The next program will consist entirely of review numbers from the preceding programs. The students of the grade school are to be given a printed copy of all the pieces which have been played by the orchestra during the past eleven concerts. The title and explanation of each piece will not be given by Mr. Damrosch, as has been previously done. The student will be asked, instead, to underline the name of the particular piece which he thinks the orchestra is playing.

## Anna K. Overton Entertains Senior Home Ec. Club

The Junior and Senior Home Economics Club met at the home of Anna K. Overton, Monday night, March 12.

Anna Kathryn Overton was made president in the place of Rosa Cash, who has moved to La Verne, Oklahoma. Lena Wade Jennings was elected vice president.

The hostess then directed a Hash program. Each member of the club was given a slip of paper which stated the subject which she must discuss.

Refreshments of sandwiches, chicken a la king, salad, pickles, lemonade, angel food cake and jellow were served in a green and white color scheme in celebration of St. Patrick's day.

The hostesses were Anna Kathryn Overton, Edith Steen, Loura Ferne Brian and Dora Mae Plaster.

---

Sewell Cox has been confined to his bed for the past week with the measles.

### WELCOME MEMBERS OF P. H. S. P. A.

Welcome members of the P. H. S. P. A. At last we are meeting in order that we may better satisfy our readers and better qualify our articles along journalistic trends. Purk your ears wide open so that you may understand each word that is said for your benefit. Then when you edit your next paper, use every suggestion that is given. See what you can gain by attending the first Panhandle High School Press Association.

### WHAT VALUE HIGH SCHOOL PUBLICATIONS?

High school newspapers have become an essential element of a good high school. High school publications are not only valuable as an outlet for the school news, but are also valuable in boosting worthy school activities. Student journalists get many benefits from working on a paper. In addition to gaining an elementary knowledge of news writing, they learn to read newspapers intelligently and to appreciate more than the comic strip and sports page.

The high school newspaper is able to advertise athletic contests, plays, and other school activities.

Patrons of the school are able to get information as to what goes on in the school.

## Canyon Debaters Win Three Out of Four Debates

The Canyon debaters won three of the four debates which occurred during the past week. Borger and Amarillo were the contesting teams.

The teams who traveled to Borger, Armor Lee Greenfield, Irene Thompson, Bob Orton and Alton Brasuel, defeated both opposing teams. The local boys upheld the affirmative case, while the girls defended the negative.

Mary Ella Lowe, extemporaneous speaker, was also victorious over the Borger contestant. Mary Ella's subject was "The Need and Meaning of Liquor Control"; Borger's "Why the U. S. has failed to recognize Russia for the last sixteen years."

The Amarillo teams came to Canyon Wednesday night at which time the Canyon girls, Armor Lee Greenfield and Loura Ferne Brian won the decision. The visiting boys gained a 3-0 decision over Alton Brasuel and Bob Orton.

## Seniors Urged To Have Photographs Made Immediately

The sponsor of the Senior class, Mr. George Terry, urges all seniors to have their pictures taken. These photographs will be placed in a framed collection in the main hall of the high school building, as has been the custom of eacn senior class for the last seven years.

Special rates are being offered by the various photographers of Canyon.

## Batchelder and Carruth Speak To Boys' Assembly

C. W. Batchelder, teacher of speech in W. T., entertained the boys' assembly with a short talk and a reading, "The Cremation of Sam McGee." Mr. Carruth urged all boys to come out for some athletic activity.

"Students must change their minds about becoming millionaires because few will be able to attain that goal, but one may be rich in appreciation of literature," declared Mr. Batchelder.

### *Welcome*

*Welcome, Editors, Welcome!*

### *In Condolence*

*To the classmates and bereaved family of Margaret Browning, late member of the second grade of Canyon Grade School, The Eagles Tale staff, members of the faculty, and the entire school wishes to extend its most sincere and heartfelt sympathy in their inestimable loss of sister, child, and friend.*

## Student Council Has Accomplished Several Projects

The student council, which meets every Monday at the one o'clock period, has accomplished several large projects this year under the presiden, Ernest Duncan, and the sponsor, Mr. George Terry.

Forrest Hill and Kate Eileen Donnell, freshmen representatives; Anna Katherine Overton and Wesley Cox, sophomores; Chloie Hail and Bill Cone, juniors; Owen Miller and Myrtis Wright, seniors; T. V. Slack, treasurer; Loura Ferne Brian, secretary; and Armor Lee Greenfield, vice-president, are the student representatives.

The boys' intramural basketball tournament was the first successful event. Then, under the sponsorship of Owen Miller and Tom Slack, the sand pit for track events was made. Myrtis Wright and Anna Katherine Overton are responsible for the make-up of the hand book which is to be printed for the year 1934-35. The Stunt Night, April 10, will be under the direction of the council. And last, but probably the most important accomplishment, is that of the series of student assembly programs.

### WHO'S WHO

(By Loura Ferne Brian)

Have you ever wondered who on earth it was who got the news all mixed up or printed that news about you without asking? You may cease to wonder, for the innermost secrets of the staff are about to be revealed to you.

Robbie Foster, the editor, is an outstanding member of the Senior class. She works constantly on finding news to write about. Not only this, but even though she doesn't do much writing, she spends her time in making assignments, getting articles in by 4:00 o'clock each Monday and completing the article by writing the dreaded headlines.

Hampton Lisle, assistant editor, helps Robbie to find news and writes articles as well.

Bill Cone, the quiet Junior lad, is an excellent sports writer. He snoops around and never fails to get all the news concerning sports of the day. Not only is he an efficient sports writer, but he is very interested in journalism in general. He has read all the books in the library on this course and he is forever bringing up new ideas for the paper.

Now, we've all wondered who the guy is that writes Cactus Cal, the most popular column in The Eagles Tale—well, stop your guessing and be patient, it's the blond haired Armor Lee Greenfield in person.

Little Miss Mary Ella Lowe is our feature writer. Some think she would make a good subject for a feature—tiny, but powerful in brain work. She is helped in her feature work by the witty Jack Oldham, and the industrious Lorene Bessire, and the most dependable Ruby Foster.

Now, you mustn't give the special reporters all the blame for the printed news, for we have a mob of general reporters who report everything they know or can find all the way from personals to faculty facts.

Miss Lois Goodrich is the faculty adviser. She, and all the other thirty members of The Eagles Tale staff as well have added at least one-thirty-sixth of an inch to their noses, because every reporter has developed quite a nose for news, by working on the staff this year.

## Ruth Richeson Will Represent School In Oratorical Contest

Ruth Richeson, a freshman, is the only student of Canyon High School who will enter the Northcutt Oratorical contest to be held here during the Regional Interscholastic League Meet, April 20-21.

She will be the first student to have her name engraved on the cup given to the school by E. O. Northcutt.

Ruth Richeson chose "The Trail of Education in the Panhandle from 1883-1933," for her subject. The speech is a brief outline of the development of education in the Panhandle, and a contrast of the early schools with those of today.

## Dairymen's Banquet To Be Served In Gymnasium Fri.

The Home Economics department will undertake Friday, March 23, its biggest annual enterprise of the year, the serving of the Dairymen's banquet. The banquet will be served as usual in the gymnasium of the high school building witn two-hundred and fifty covers.

Randall county boasts one of the largest and most progressive dairymen's organizations in this part of the state.

This gigantic affair will be a testimony to the efficiency of the Home Economics Department that it can competently handle the serving and feeding of so many people.

The committee working with the Home Economics department is composed of: Robert Byars, chairman; R. O. Allison, E. Gidden, C. C. Stewart, and John Haines.

The menu will be as follows: Turkey, dressing, gravy, creamed potatoes, string beans, cranberry relish, rolls, butter, combination salad, ice cream, cake, coffee and mints.

## Students Improve Practice Field With Sand Pit

Nine loyal students of Canyon High School gave their services, time, and energy last Monday and Tuesday for the benefit of the school by digging and filling with sand a high jump, poal vault and broad jumping pit.

The pit, nine feet square, was dub by T. V. Slack, Owen Miller, J. M. Allred, Dan Gerald, Sewell Cox and Wesley Williams. T. V. and Owen, assisted by "Scoop" Elliston, Hampton Lisle and Kenneth Black and his truck, filled the pit with three loads of sand.

Hampton spent the remainder of the week repainting the lines in the grade gymnasium.

The boys are to be commended for such work.

## T-Anchor Boys Play For High School Chapel

A very opportune and interesting program was presented to the student body last Thursday afternoon in Assembly by Judge Orton and the T-Anchor Cowboys.

The first part of the hour was given to Judge Orton who, in a brief talk, asked the students, faculty, and visitors to co-operate with the representatives of the law in Canyon in emphasizing the necessity of honesty and of good character building in boys and girls of high school age.

For the remainder of the assembly period the T-Anchor Cowboys, Ted Clark, violin, Ed Todd, guitar, Kid Young, guitar, and Slats Weatherby, mandolin, entertained with music, songs and rope tricks. "Wagner," an old square dance piece, was called by Slats Weatherby. Ed Todd sang "Beautiful Texas," "Just Because," and "The Old Spinning Wheel," and Kid Young sang "Dad in the Hills" and "Neath the Old Apple Tree."

A cordial invitation was extended to the cowboys by the faculty and entire student body to return at any time.

## Contest Play "Fixin's" Given Last Friday

The one-act play, "Fixin's," Canyon High School's entry in the district one-act play contest, was presented publicly for the first time, Friday night, March 16, at 8:00 o'clock.

The characters in order of their appearance were: Ed Robinson portrayed by Ernest Duncan, Jim Cooper by Marion Tucker, and Lilly Robinson by Margaret Croson.

The play "Fixin's" was written by Erma and Paul Green. "Fixin's" deals with farm life in North Carolina, but portrays the grimaces of farm life in any state. Because the characters were those of simple farm life, which is familiar to the people of this section, the roles were well executed and understood by the actors. The play was made realistic by the actual use of food, lamp light, an oil stove for cooking, and other suitable touches.

"Fixin's" was directed by Miss Irene Angel. Miss Angel and the characters of the play are to be commended for their excellent execution of the play.

"Speck" Williams spent Thursday, Friday, Saturday, and Sunday in Lubbock.

Uv course I ain't no weather prophet, but accordin' to the signs uv nature, I think that Saturday, March 31, the day of the Press Association Meeting is going to be either a cold wave or a sandstorm. It don't take no weather prophet to know that there'll be a sandstorm. There always is one on my day fer a bath.

Sunday I wuz in the canyons and all uv a sudden I heard sum body hollering "Taxi." I thought she must be crazy yelling for a taxi way out in the middle uv the canyons. (Although I'll hev to admit I needed one before I got up the side of that thing). I finally went to the bottom uv the disturbance and found out that Mickey wuz a hollering fer Curtis Elliston (better known as "Taxi.")

I wuz eavesdroppin' on Miss Goodrich, and she said, "I'm going to teach those cubs a thing or two." I thought maybe she'd turned into a lion tamer and had started teaching her baby bears (cubs) tricks. But I know what she meant now. She calls those kids on The Eagles Tale staff, cubs. And don't ask me why she calls 'em such funny names—its just sum of her newspaper slang.

Tom, I didn't know that Dentyne gum wuz a sure cure fer the measles. Myrtis said after she chewed them 30 brand new sticks uv gum you give her, shel" probably be up and doin' about.

Miss Brasuel, being home ec. teacher, is supposed to hev good taste. Well here's her idea uv the "ideal" couples fer C. H. S. Ole Bud Myers and Armor, or Fulton and Loura Ferne. And do you still think she has good taste?

Yessir its here! What? The Marvel of the Ages! Arthur Chambers. If you wanta know how I knew—cause Winnie Dee said.

In case sum uv you gals and boys want to improve your looks by getting a hair cut like Curtis and Roland, just go to any barber shop and call fer an old "Heidleburg bob." Yep—its all the go—the most popular of spring fashions.

As fer all you visitors thet's comin' here Saturday, just hunt ole Cactus up if you need a real pal.

## Juniors In Charge of Assembly This Afternoon at 3:00

The first assembly program of the year to be put on by one of the classes is this afternoon at 3:00 o'clock. The junior class, under the direction of Miss Grace Clark, has charge.

The junior members of the regular band will give a selection as the first number. Irene Thompson will tell of the history and meaning of March. The special days of March will be discussed by Mary Ella Lowe. The fourth number will be a piano duet by Mary Jean Mickle and Mary May Harrison. Jack Oldham will tell of the birthdays of famous persons and also of Canyon High School students. The events of March in and outside of school will be told by Ruby Foster. The concluding number will be a selection by the Rhythm Band, a new organization made up of Juniors.

## Three Substitute Teachers Added To H. S. Faculty

Added to the Canyon High School faculty are Mr. A. L. Jones and Misses Dena Fae Jameson and Florine Bowman from the college who are doing temporary practice teaching work in the Agriculture and Home Economics departments.

Mr. Jones is in charge of the agriculture class as there is no other teacher, and he will continue to teach the remainder of the year.

Miss Jameson taught one of the first year Home Economics classes the past week, and Miss Bowman is taking her place this week.

Miss Fannie Sue Brasuel, Home Economics instructor, expects other college students to do observing and practice-teaching work during the rest of the year.

Mr. M. Kiker was unable to discharge his duties as head janitor the first part of the week, because of the illness of his wife. Mr. I. M. Steen served during Mr. Kiker's absence.

Helen Hardman, Velma Crawford, Marshall Rockwell and Dan Gerald ate supper at the CCC camp Sunday night.

This honest HIGH TEST gasoline Says LET'S GO TO COLD MOTORS

"HIGHEST TEST" AND anti-knock at the price of ordinary gasoline

Phillips 66

There is more zip and action, more energy and power in every drop of this sensational motor fuel. And longer mileage, too.

Note, below, the definite gravity figures which prove how high the "test" is. The very fact that we publish them is evidence that Phillips 66 is higher test, indicates that we fear no comparisons with other motor fuels. Remember, Phillips is the world's largest producer of natural high test gasoline.

In freezing weather, our *greater gasoline* delivers split-second starting. In any weather, it improves acceleration and flexibility. Besides, you get high anti-knock value. Phillips 66 eliminates the carbon knock in old motors, the compression knock in new ones.

Why not try it for yourself? *Feel the difference* it makes in your motor. *Phill-up with Phillips* at the Orange and Black 66 shield.

## Eagles Start Track With 11 Reporting For Practice

Track season opened Monday, March 12 with 11 boys reporting for practice.

It is undecided as to the particular events in which each of the boys will participate, but the decision will be made as the season rolls on and the boys become conditioned so they can try-out for desired events.

Coach Milton Sanders will have charge of the track team as Coacn Jones is working with spring practice in football. Prospects are good for an outstanding team with three lettermen back, Sewell Cox, Edward Brooks, and Hampton Lisle. Cox will be eligible for this and two more seasons, while Brooks and Lisle will be eligible for only this and one more season.

## Volley Ball Team Begins Spring Practice Wed.

The Canyon Girls' volley ball team began practice Wednesday, March 14, in the grade school gymnasium.

Although they have done very little practice this year, the girls will have their first game Friday afternoon. Their coach, Miss Annis Smith, states: "We have a better squad out this year than last, despite their lack of recent training."

Those girls who have "come out" so far are: Athalee Overton, Gailen Porter, Mildred Clounch, Tennie Dora Brooks, Thelma Bryant, Ruby Guthrie, Kate Eileen Donnell, Murrell Pirkle, Helen Hardman, Lecy Mae Furlow, Evelyn Cox, Betty Ruth Solomon, Neva Lois Miller, Ruth Richeson, and Mable Schmitz.

## Greenfield And Thompson Chosen Girl Debaters

Armor Lee Greenfield and Irene Thompson made the final girls' debate team, in the tryout which was held Friday night in the C. H. S. auditorium, after the one-act play.

Four girls competed in the contests. Bobby Jo Cheyne and Irene Thompson debated the negative side of the question, "Resolved, the United States should adopt the essential features of Radio Regulation and Control of Great Britain," while Armor Lee Greenfield and Loura Ferne Brian debated affirmatively.

Irene and Armor Lee will debate in District Meet where Irene will be first speaker, and Armor Lee the second speaker.

Ernest Duncan visited friends in Amarillo Saturday night.

Claudia Fae Teal spent Sunday in Amarillo.

Myrtle Chitwood visited in Amarillo over the week end.

Nell Slaton spent Sunday in Amarillo.

## Spanish Department Receives Pictures of Simon Bolivar

The Spanish Department has just received a large picture of Simon Bolivar, who is known as "The George Washington of South America" and as "The Liberator." Many songs and poems have been written to and about him. Studies are made in every Spanish class and in every Latin class in American country on the life of the Great South American.

The Spanish department is very proud of the picture which is in the Spanish room, No. 19.

Miss Jordan spent the week end at her home in Tulia.

Sarah Bonnie Bourn had company over the week end.

Marielle Oldham was sick over the week end.

It's Worth More Than It Costs--

The customer should derive some profit from every ... he buys. If the article purchased is not worth more to the buyer ... to the seller, the customer has no reason to buy it. The article's value to the customer is determined readily by comparing its cost to that of substitutes. The difference between the value of a product and its purchase price is the customer's profit.

Natural gas is worth $3 per 1000 cubic feet for refrigeration, $2.50 for cooking and $1.25 for water heating—compared to the cost of performing these services with the next least expensive form of fuel. The difference between these values and price of gas represents a 75-percent saving on refrigeration, 70-percent saving on cooking fuel and a 40-percent saving on the fuel cost for water heating. ## Recipe Col.

(Continued from first page)

Mix all of these and pour in molds. When firm unmold and serve on lettuce leaves. Garnish with mayonnaise.

**VEGETABLE SALAD**
Mrs. S. L. Ingham

1 can drained peas
1 tbsp. chopped onions
1 tbsp. chopped sweet pickles
2 tbsp. grated cheese

Before serving mix with mayonnaise, and serve on lettuce leaves. Nuts may be added.

**BIRDIES**
Mrs. T. H. Knighton

1 lb. sliced round steak
½ lb. sliced pork

This will fill 12 to 14 skewers.

Remove all fat from meat and cut in 1 inch squares. Sprinkle with salt and pepper. Then alternate 2 squares of steak with 1 square of pork until there are 6 squares on each skewer.

Then dip in egg batter and roll in cracker crumbs. Brown slightly in deep fat. Add one cup of hot water, cover and place in oven to simmer slowly for about an hour.

Tomato juice may be used instead of hot water to make tomato sauce for it.

**BAKED SLICE OF HAM**
Mrs. Clyde McElroy

1 slice ham 1½ inches thick
12 whole cloves
2 tbsp. sugar
2 tsp. mustard
½ cup vinegar
½ cup water

Cut the fat from the ham. Stick the whole cloves into the meat and place the ham into a baking dish. Cut the fat into bits and place it on top of the ham. Cover and bake at 400 degrees for ½ hour, then mix the sugar, mustard, and vinegar and water. Pour this mixture over the ham, cover and continue baking at 275 degrees for three hours.

Place apples halved and cored around the ham the last hour of baking.

**TOMATO SAUCE**
Mrs. S. H. Condron

1 quart canned tomatoes
1 cup sugar
1 tsp. salt
3 tbsp. vinegar.

Boil 15 minutes or until mixture becomes thick. Serve either warm or cool with meat loaf.

**GLAZED ONIONS**
Mrs. C. M. Presley

12 medium sized onions
4 tbsp. sugar
1 tsp. mustard
6 tbsp. melted butter
½ tsp. salt
¼ tsp. paprika.

Peel onions and cook in boiling water, to which salt has been added, for 15 minutes. Drain, place in baking dish.

Combine sugar, salt, mustard, and butter and pour over onions. Sprinkle with paprika and bake until brown.

**CRANBERRY RELISH**
Mrs. S. H. Condron

Grind in a food chopper 1 quart cranberries, 2 oranges and peeling of one orange. Add 2 cups of sugar; let stand in ice box or cool place for several hours.

**DOUGHNUTS**
Mrs. S. L. Ingham

2 eggs
1½ cups sugar
1 tsp. vanilla
1 tsp. salt
1 cup thick sour cream
1 cup thick sour milk
1 tsp. soda
About 4 cups flour.

Beat eggs, sugar, vanilla, and salt together well. Add milk and cream. Add soda and enough flour to make soft dough. Roll out and cut with doughnut cutter and fry in deep fat.

Test temperature of fat by dropping in one doughnut. If it rises to top immediately, the temperature is all right, but if it sinks, the fat is not hot enough.

**NUT-DATE PUDDING**
Mrs. Earl Robbins

3 eggs
1 cup sugar
6 rounded tbsp. flour
2 tsp. baking powder
1 cup chopped nut meats
1 cup chopped dates.

Beat eggs separately. Add sugar to yolks and beat until lemon colored. Then add flour and baking powder sifted together. Add nuts and dates and fold in stiffly beaten egg whites. Bake in shallow pan at 375 degrees for about 30 minutes.

**MARGUERITES**
Mrs. F. R. Phillips

2 eggs
1 cup brown sugar
½ cup flour
¼ tsp. baking powder
½ tsp. salt
1 cup nut meats, chopped.

Beat eggs slightly and add remaining ingredients in order given. Fill small butter tins ⅔ full of mixture and place pecan nut meat on each. Bake in moderate oven 15 minutes.

**PINEAPPLE DELIGHT**
Mrs. Donald Trolinger

½ pt. whipped cream
1 small can grated pineapple
½ lb. marshmallows cut fine
½ cup broken nuts.

Drain juice from pineapple and add to juice the following:

2 tbsp. flour and
3 tbsp. sugar

Cook in double boiler until thick. Pour this over pineapple, marshmallows and nuts. Set aside to cool. Before serving, fold in whipped cream.

**PLUM PUDDING**
Mrs. Hud Prichard

1 pkg. Jello
1 cup pineapple juice
1 cup grape juice
½ cup brown sugar
1 box vanilla wafers, rolled
½ cup pineapple drained and diced
½ cup chopped pecans
1 box chopped dates
½ cup raisins.

Dissolve the Jello in 1 cup of warm pineapple juice. Add grape juice. Add sugar and wafer crumbs and mix thoroughly. Then add fruits and nuts and turn into molds. Chill until firm. Serve with whipped cream or hard sauce.

**PRUNE CAKE**
Mrs. F. R. Phillips

1 cup sugar
¾ cup fat
1 cup prunes, cooked and pitted
3 eggs, slightly beaten
2 cups flour
2 tsp. cream
1 tsp. soda
2 tsp. cinnamon
1 tsp. nutmeg
1 tsp. allspice
¼ tsp. salt
1 tsp. vanilla

Cream sugar and fat, add prunes, eggs; sift dry ingredients and add to creamed mixture; then add cream and vanilla. Bake in layers.

**Prune Cake Filling**

1 cup sugar
½ cup milk
1 cup prunes, cooked and pitted
2 eggs
1 tbsp. butter
1 tsp. vanilla

Cook sugar, milk and prunes until mixture begins to thicken, stirring to prevent scorching. Lastly add beaten eggs and cook until of consistency to spread. Take off fire and add butter and vanilla and spread between layers and on top of cake.

**SOUTH KENSINGTON PUDDING**
Mrs. S. L. Ingham

1 envelope Knox gelatine
1 quart milk
3 eggs
11 tbsp. sugar
Vanilla

Mix ¼ quart milk with the gelatine and let stand 5 minutes. Heat the rest of the milk in double boiler, add the gelatine mixture, and stir until dissolved. Beat yolks of eggs with 5 tbsp. sugar until light. Add this to the milk. Cook until it is of the consistency of ordinary whipping cream, but do not let boil.

Beat whites of eggs with 6 tbsp. sugar until stiff. Pour the whites into the mold and then the custard mixture. Put in ice box to chill.

**CHOCOLATE ICING AND FILLING**
Mrs. T. H. Knighton

1 tbsp. butter
5 tbsp. milk
3 ounces or squares chocolate
3½ cups powdered sugar
1 tsp. vanilla
Sprinkle of salt

Heat butter, milk and chocolate in top of double boiler. Add sugar, slowly beating continually. Add flavoring and salt and beat until creamy. If necessary, add more milk and spread between layers an on top and sides of cake.

## More Beer For Canyon?

Shall we widen Fourth Avenue and be ready for 3.2% beer? It takes more room for the driver after imbibing at the Beer Saloon.

We are told that 3.2 will not cause drunkenness; but the press says in January there were 900 arrests in Dallas for drunkenness—double the January record of 1933, before beer was legalized.

A more recent press statement was that in Febraury, "One hundred and five persons injured and four killed in motor accidents, double the record of a year ago." The cause is most obvious.

We hear in Canyon, "Let's have beer here and keep money at home."

Who will pay for the increased police and court costs?

Would it be profitable if we have to build a new county jail?

Why should we share our meager CWA savings with the Beer Barons?

Will it help business and lower taxes? Nearly half the licensed places in Amarillo failed to renew their short term licenses.

I entered an Amarillo grocery store last week and meeting a clerk who appeared abnormal, I excused myself and returned to car without a purchase; my traveling companion remarked, "there is the reason,"—six cases of Blatz, just delivered on the side-walk.

Who in our little town wants to lower his business by selling that which blurs the vision and does not give value received?

Shall we, who can vote, give our boys a stone when they ask for bread or a serpent when they ask for meat?

We who have the right of suffrage are our brothers keeper—who as yet, are too young to vote.

Can any true churchman vote for strong drink, when the aim of his church is the converse?

J. I. BALLENGEE.

**HAS HIP FRACTURED**

W. B. Parsons is in an Amarillo hospital suffering from a fractured hip. He fell Saturday night at the home of his daughter, Mrs. C. A. Pierle, and was taken to Amarillo Sunday for treatment.

**MARRIAGE LICENSES**

Emory E. Richardson and Miss Wilma Louise Tull, March 16.
